

2024 Campership Application

DUE TO THE BLUE GRASS COUNCIL SERVICE CENTER BY **MARCH 25, 2024** - Use one form per family

Every Scout and Venturer deserves the opportunity to attend Camp McKee this summer. The Blue Grass Council would like to remove as many obstacles facing Scouts and Venturers that might attend camp as possible, including the camp fee. We realize that there are a few Scouts and Venturers in our council who truly cannot afford the fee. In many cases, these are the same youth for whom camp attendance would be the most beneficial. Therefore, the council has established the campership fund to help those Scouts and Venturers who desire the camp experience but cannot afford it. Scoutmasters and Crew Advisors, it is your responsibility to determine if any Scouts in your troop or crew will have difficulty paying the camp fee. Through the applicant's parents, determine what portion of the fee the Scout or Venturer is able to pay. Decide if the troop or crew needs to have money-earning projects to help any members of the troop or crew. Then complete a campership application for any Scout or Venturer needing assistance.

Campership applications must be completed and delivered to the council service center before March 25, 2024. The committee will meet and determine the amount to be awarded per Scout. There is a limited amount of funding for camperships that will be divided according to the number of requests that are received on time. Forms received after the deadline date are subject to funding availability. Scoutmasters and Crew Advisors will be notified of the campership awards soon after committee approval. Please use your best judgment in applying for these camperships.

Camperships will be awarded based on Scout/Venturer and troop/crew participation in the Friends of Scouting and popcorn sales programs. Please complete the entire form. All information will be kept confidential.
